

Parental Notification for Sensitive Issues

Signed permission is required for special programs focusing on sensitive issues. Maturity, religious beliefs, cultural standards, and family values are to be considered when planning programs. A parent meeting to discuss and review the program is recommended.

Dear Parents/Guardians:

Our troop plans to participate in a program featuring information and discussion on the following sensitive issue(s):

[List issues for your event/activity here—for example, “child marriage” or “girls’ access to education.”]

The activity will use the following format and include the following activities: **[Clearly outline program content. List presenters and the agencies they represent. List any materials such as videos or handouts that girls will use during the activity—for example, “watch the documentary Girl Rising and discuss the topics in it.”]**

Please contact the following person if you have any questions concerning this activity:

Adult in charge of the activity: _____ Phone #: _____

PARENT/GUARDIAN PERMISSION VERIFICATION

Girl’s name: _____ Date of activity: _____

(Check one.)

Has my permission to attend and participate in the following activity.

Does not have my permission to attend and participate in the following activity.

[Describe the activity above. For example, “Watch the documentary Girl Rising and discuss the topics in it.”]

Parent/guardian signature: _____
