

Troop's Own Care to Share or Cookie Share Donation Agreement Form

The Girl Scout Council of Orange County has a virtual donation, community service project as part of both our Fall Product and Girl Scout Cookie programs:

- **Care to Share** provides donations of our Girl Scout snack items and military magazine vouchers
- **Cookie Share** provides donations of Girl Scout cookies

Customers do not choose the product or organization and troops do not receive these virtual items. The Council chooses the organizations and delivers the donations.

Girl Scout troops may choose their own organization to receive Care to Share or Cookie Share donations **provided the troop follow these guidelines:**

1. Prior to the Fall Product or Cookie programs, complete Troop's Own Cookie Share online form at www.GSCookiesEtc.org to determine if your chosen organization is in good standing with Girl Scouts of Orange County.
2. Contact the chosen organization to ensure they will accept Girl Scout products/cookies and agree to abide by the Donation Agreement.
 - a. Consider relationships with non-profits that will not be doling out entire cookie boxes, but rather using single servings to create meals, such as Meals on Wheels.
 - b. Consider organizations located within Orange County so your girls can build local relationships.
 - c. Consider working with smaller non-profits that have a local impact to avoid reselling of product in other jurisdictions.
3. Complete the [Donation Agreement Form](#). Donation Agreement form must be signed by both the Troop and the Organization.
4. Take Troop's Own Care to Share or Cookie Share donations from troop's own inventory and deliver to organization.
 - a. Consider marking the box with a non-removable label stating, "*Donated by Girl Scout Troop #*" to prevent the box from reentering market circulation. This also helps to identify the donated goods, prevent fraudulent returns and prevents resale.
5. Complete the Donation Agreement form here: [ONLINE DONATION AGREEMENT FORM](#) within 2 weeks of the donation. If troop did not donate, write 0 (zero) in the unit/packages column.

Please Note:

- *Troops may purchase official Care to Share or Cookie Share patches in our Girl Scout Shop with proof of Donation Agreement form submittal.*
- *Troops should NOT use the Cookie Share or Thank You Nuts/Voucher designation in the product program software to order these donations.*
- *Troop's own Cookie Share/Care to Share is not reflected in the product program software and does not count towards the Council's virtual donation program to earn patches.*
