

Join the Service Unit Fall Product Team!

Each Service Unit recruits a Team of volunteers to support their Troops in the Girl Scout Fall Product Program. Training, resources, support and guidance are provided. Below is a summary of the team positions.

Service Unit Product Manager (Aug - Nov)

Motivates & communicates with troop volunteers, appoints & supervises Troop Product Coordinators, reviews sales data online, maintains records, partners with SU Product Team. This position can be co-chaired with one person handling the people support and another handling the computer support. Must have Excel software and be able to use spreadsheets. Workshop is Tuesday September 3, 2019 @ 7:00pm in Irvine.

Service Unit Nut Distributor (Sept–Oct)

Secures location in September for October product distribution to troops, secures volunteers needed for distribution day, takes delivery of product, and oversees distribution day. Online training will be available starting in September at GSOCLearning.com

Service Unit Fall Materials (Aug–Oct)

Receives, counts, sorts & distributes sales materials in September. Must be able to accept multiple packages and have space and time to store and sort prior to distribution. Online training will be available starting in September at GSOCLearning.com

Service Unit Fall Rewards (Nov–Jan)

Receives, counts, sorts & distributes girl rewards in January. Follows up with any discrepancies. Must be able to accept multiple packages and have space and time to store and sort prior to distribution. Online training will be available starting in September at GSOCLearning.com

Booth Sale Coordinator (Sept–Nov)

Secures booth sites, schedules troops (often through a lottery process). Provides coaching on: booth sale etiquette, safety & sales techniques. Must have Excel software and be able to use spreadsheets. Fall Booth Sale Coordinator training is online only.

For more information about these exciting volunteer opportunities, please contact your Service Unit Coordinator and visit the Product Sale Website at <http://gscookiesetc.org/fallproduct/>

Fall Product Program begins September 21, 2019
