"We have worked with the Girl Scouts of Orange County for years now, educating Troops who have come out whale watching with us, and getting them excited about our oceans, we absolutely love it!"

- Jessica Roame, Marine Education Specialist for Newport Landing Whale Watching

COMMUNITY LEADERS SPEAK OUT!

"Girl Scouts empowers girls in our neighborhoods and communities to develop vital leadership skills that last a lifetime. **The Girl Scout Leadership Center will elevate the impact of Girl Scouting by introducing girls to career paths in STEM** and other professional services areas at an early age when they have time to think about and plan for their future."

Sandra Hutchens

Orange County Sheriff-Coroner

"It is vitally important for girls in our community to envision successful futures for themselves and learn how to take action to achieve their goals. By encouraging girls to explore career paths and introducing them to strong female leaders and STEM professionals, **Girl Scouts is helping to shape the next generation of leaders, which leads to a stronger Orange County.**"

Max Gardner, President and CEO

Orange County United Way

"**The Girl Scout Leadership Center will definitely augment the science and math education that girls in our community receive in schools** and better equip them to take what they've learned in order to address real world problems."

Al Mijares, Ph.D.

OC Superintendent of Schools

"The Girl Scout Leadership Center will play a critical role in **helping girls in our community understand and embrace the value of STEM education in building invaluable life skills** such as critical thinking and problem solving, which are vital to the success of our future leaders and innovators."

Julie Sokol, Senior Vice President of I.T.
