

VIRTUAL BRIDGING CEREMONY:

- Each girl should be assigned a part to play in this ceremony, either as a flag presenter or as one of the GS Law presenters. Depending upon troop size, girls may do more than one part.
- Each family should have a [Bridging Kit](#) and a [My Girl Scout Kit](#) for her new age level to present to the girl during the ceremony.
- If possible, find a Girl Scout in their new age level to take part. She could explain each part of the Law after each girl reads theirs. Or she could talk about the things she's done in her age level. She could also welcome the girls to their new age level.
- The Ceremony starts with a virtual flag ceremony and moves on to the GS Promise and Law.
- More ideas for bridging ceremonies may be found on the Volunteer Toolkit.

WELCOME:

VIRTUAL FLAG CEREMONY:

Assign girls who will take part in the flag ceremony to represent one of the flags – U.S. Flag, State Flag, World Association Flag, Girl Scout Flag, Brownie Flag (if this is a Brownie troop), and Daisy Flag (if this is a Daisy troop). The girls can draw a picture of the flag, find and print an image from an online site, or if they happen to have a flag at home, they could use that.
