

Meow Mixer

Learn how to solder a circuit board!

Girl Scouts will learn how to solder while creating their own personalized color-mixing *Meow Mixer*! Sponsored by the Society of Women Engineers-OC, this hands-on event will empower girls to master essential engineering skills with the support of STEM mentors. This event has a \$50 value! A big THANK YOU to SWE-OC for making this event available to Girl Scouts!

For Girl Scouts in 5th – 10th Grade
Juniors, Cadettes, & Seniors in 5th, 6th, 7th, 8th, 9th, 10th,
\$5 patch fee
Saturday, May 31st
