

GSOC Physics Day at Knott's Berry Farm

Science comes to life at Knott's Berry Farm! Join Girl Scouts of Orange County for a fun Physics filled day! Girls will participate in the Energy in Motion program and have the rest of the day to play in the park. This program utilizes rides and roller coasters to discuss concepts such as centrifugal force, mass, inertia, and more! Get ready for the most exciting Physics class ever!

For Girl Scout Brownies, Juniors, Cadettes, Seniors & Ambassadors

\$50*

July 27th, 2024

Program Meet Time: 9:00 AM

Knotts Berry Farm

The program will last until 12:00 PM. Chaperones will be provided for the Physics class from 9:00 AM – 12:00 PM. Girl Scouts must be in the park with an adult or their Troop Leaders (using field trip ratios) when the program ends. Adults must have a valid park ticket.

*This cost includes the program, fun patch, and access to Knotts Berry Farm for the day!
