What to Expect at a Project Proposal Support Meeting

The Girl Scout Gold Award Project Proposal Support Meeting gives a girl an opportunity to share their Take Action project plan and get informal input about their Project Proposal.

- Girls & their adult meet with a member of the Girl Scout Gold Award Support Team. This is a great way for a girl to prepare for the interview where they will have the opportunity to pitch and get feedback on their proposed plan before they submit on GoGold.
- Participation is **optional** and does not take the place of the interview. We encourage girls who have completed or are very close to completing their prerequisites and are ready to focus on the Girl Scout Gold Award Take Action project to attend. Girls should come prepared to share the issue they hope to address and their plan to help solve it; this meeting does not help girls to identify an issue and plan a project.

Training and Resources

It is recommended that Girl Scouts take Gold Award Training on GS Learn before attending the Project Proposal Support Meeting.

Girls and their Troop/Group Volunteer and Project Advisor must complete online Gold Award training and refer to Gold Award Guidelines – see [Girl Scouts of Orange County's Your Guide to Going Gold](#) found on the Gold Award page on the council website at www.girlscoutsoc.org and be sure to review Gold Award Resources on this page including, the GSOC Gold Award Dates to Remember, Gold Award Project Proposal Rubric and more!
