

GOLD AWARD

The Girl Scout Council of Orange County is honored to recognize the recipients of the prestigious Girl Scout Gold Award. The Gold Award is earned by extraordinary Girl Scouts who demonstrate outstanding leadership ability, personal commitment to community service and strong character. In 2008, **163 Gold Award Girl Scouts dedicated tens of thousands of hours to address needs within their community** such as helping disabled youth, supporting eldercare programs, promoting literacy and reducing hunger. Their vision for change empowers them to succeed as the future leaders in Orange County.

The distinguished Girl Scout Gold Award is the highest award a Girl Scout can earn, and parallels the Boy Scouts' Eagle Scout Award. Gold Award Girl Scouts are rewarded with acceptance to top-ranked colleges and universities, college scholarships, and advanced entry into military service.

Community service is integral to Girl Scouts. Through a quality Girl Scout experience nearly 23,000 Orange County Girl Scouts, with the support of more than 8,000 dedicated volunteers, help to make the world a better place.

CONGRATULATIONS!

Please join us in recognizing the exceptional achievements of the 2008 Gold Award Girl Scouts!
