Celebrations with faith communities can include worship services, events, and community service projects. Partnering with faith communities during Girl Scout Week exposes more people to the benefits of Girl Scouts, strengthens relationships with faith leaders, shows girls how to connect the principles of Girl Scouting to their faith, and builds the Movement's diversity.

Everything in Girl Scouting is based on the Girl Scout Promise and Law, which includes many of the principles and values common across religions. So while we are a secular organization, Girl Scouts has always encouraged girls to take spiritual journeys via their faiths' religious recognitions.
