NEW Body Appreciation Badges!

The Body Appreciation badge line is designed to transform the way girls think about their bodies. Through fun, age-appropriate, and progressive activities, Girl Scouts build confidence, practice self-care, and develop healthy habits that support both physical and emotional well-being. Along the way, they'll explore how to set healthy boundaries and respond thoughtfully to pressures from society, media, and peers—all while learning how to lift others up and create a culture of kindness and respect.
