Shout out

CONNECT

Connect with volunteers in your troop and observe all of the amazing qualities that make them great at what they do then complete two of the activities below:

- Create a troop pledge and teach it to your troop. Don't forget to include parts about being helpful, respectful, and appreciative to all your troop volunteers.
- With your Girl Scout friends, create a banner or poster that describes how much you appreciate your troop volunteers and post it where you have your troop meetings.
- Along with your Girl Scout friends, create a troop memories scrapbook and present it to your leader and share it at your next troop meeting.

TAKE ACTION

Now that you have had a chance to DISCOVER what volunteer appreciation means and CONNECT with your volunteers, it's time to TAKE ACTION and say thank you by completing one of the activities below:

- Host an appreciation event for volunteers who have helped your troop.
- Plan and create a special slide show of everyone's favorite troop moments and show it at the next troop special occasion.
- Plan a service project in your troop leader's honor. *Do they like flowers? Plant a community garden. Is your leader an animal lover? Volunteer at your local animal shelter.*
