ABOUT VOICE FOR GIRLS

Voice for Girls is an interactive think tank for Orange County's decision-makers and key influencers, hosted by Girl Scouts of Orange County (GSOC) to align local leaders around a vital mission: to support and champion girl ambition.

Our 2025 event provides valuable opportunities to connect and network with like-minded professionals across Orange County.

FEMALE EMPOWERMENT: SUPPORTING THE NEXT GENERATION

In today's dynamic business environment, fostering a culture where women support and uplift one another is not just a matter of fairness—it's a strategic imperative. It's crucial to recognize the profound impact that such support can have on both individual careers and organizational success. We'll explore how fostering supportive networks among women can drive innovation, career advancement, and organizational success. Studies show that women with mentors are 37% more likely to be promoted (American Management Association, 2019).

ABOUT THE PANEL

A panel of high school age Girl Scouts will share their inspiring "take action" projects and the impact of mentorship on their lives as well as their hopes for future workplaces.

ABOUT GSOC

We are 25,000 strong— 15,000 girls and 10,000 adults and volunteers who believe in the power of every girl to change the world. To volunteer, reconnect, donate, or join, visit www.girlscoutsoc.org.
