

Announcement to Volunteers and Members

It is our privilege to announce that the slates for board officer, board members-at-large, board development committee chair, board development committee members-at-large, and National Council delegates and alternates have been approved by the delegates of Girl Scouts of Orange County.

We are grateful to the Delegates for their continued support of Girl Scouts of Orange County during this difficult time.

We are honored to be part of this wonderful organization of dedicated and talented volunteers who prepare Orange County's girls for a lifetime of leadership. Thank you for all that you do, each and every day.

It is our honor to introduce the Board of Directors, Board Development Committee, and the Delegates and Alternates for the 55th National Council Session.
