Why are 6th & 7th grade Cadettes not included in this event?

The event is tailored to girls who are in high school, or who will be in the upcoming school year. We invite 6th and 7th grade cadettes to look forward to attending Dreams to Reality as part of their High School experience.

Will this event be an annual event for GSOC?

We are planning on it! We also encourage girls to attend more than once to focus and refocus future plans and make their dreams a reality!

Is there a service project at this event?

We are hosting an “accessories drive” for [Working Wardrobes](#) employ/reentry program.

How is this event only \$10 per girl?

We keep registration low for Girl Scouts because of a generous grant from Disneyland Resort® workforce development program.

Is this event lecture style or interactive?

This event is hands-on, interactive, and as high energy as a Girl Scout pursuing her dreams! Girls will have many chances to ask questions, develop plans, create relationships and more!

How can I reach a career woman I met?

You will receive information on the speakers, career women and mentors who have volunteered for the event. We recommend you network professionally through [LinkedIn](#).

Yes! Girls can attend with their troop, or independently and will be grouped together in small cohorts for rotations through the event.
