Parents and Guardians,

The Girl Scout Cookie Program is the foundation of the Girl Scout entrepreneurial experience and an important part of your girl's overall Girl Scout experience! As she earns funds to help her troop do amazing things and have exciting adventures, she will accomplish goals, solve problems, and build confidence!

She'll learn skills for her future: • goal setting • decision making • money management • people skills • business ethics

The 2022 Cookie Program begins with online sales on January 16. Girl delivery and cookies in-hand sales begin on January 30.

Nothing is more important to us than the health and safety of our Girl Scouts and their families. Visit girlscoutsoc.org/COVID19 for up-to-date safety requirements & guidelines.

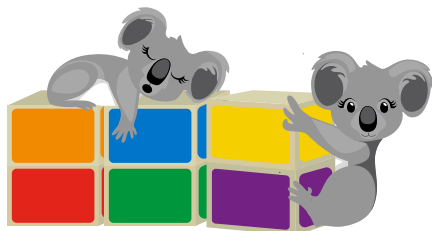

My team and I are here to help you and your girl get the most out of her Girl Scout experience. Please reach out with any questions to customercare@girlscoutsoc.org.

Thank you for all that you do to support your Girl Scout and her troop!
