# Creativity at Home

## A NOTE FROM VIKKI:

For me, creative time is important! I weave it into my schedule whenever possible. Most of the time, it's at my studio desk, creating jewelry, painting, and doing mixed media projects. Sometimes I get creative in the kitchen and have been known to help out in the fairy garden. No matter the type of creativity, I find it helps me relax, reflect and renew. I know many of you are creative too and I'd love to see what you're making and doing while home. I'll post some of my work online and will be looking for yours!

Thank you for all the ways you inspire me every day!

## Get Creative!

Share how you are being a creative Girl Scout at home. Email a photo to us at [marcom@girlscoutsoc.org](mailto:marcom@girlscoutsoc.org) with the subject line "GS Creativity" and tag @GirlScoutsOC on social media and we'll send you a special patch.\*

## Here are some ideas to get your Girl Scout creativity flowing:

- Make a foil dinner using skills you learned camping as a Girl Scout. Be sure to get parent/guardian approval and make it with your family.
- Teach younger siblings Girl Scout songs and put on a show for your family.
- Create a piece of artwork that features a trefoil or has a subtle "hidden trefoil" that you can challenge your family to find.
