## 2023 SPONSORSHIP OPPORTUNITIES

## ABOUT VOICE FOR GIRLS

Voice for Girls is an interactive think tank for Orange County's decision-makers and key influencers, hosted by Girl Scouts of Orange County (GSOC) to align local leaders around a vital mission: to support and champion girl ambition.

Our in-person 2023 event provides valuable opportunities to connect and network with like-minded professionals across Orange County.

## WOMEN'S WELLNESS IN THE WORKPLACE

The last decade has seen an unprecedented rise in mental health concerns among young women and girls. Add to that the disproportionate impact the recent pandemic has had on women and we now see their needs reaching crisis levels. Our 2023 event will explore how we can create workplaces that promote mental wellness for women, so that today's girls grow up to enter workplaces that support them in living their best lives, both within and outside the workplace.

## ABOUT THE PANEL

A panel of older Girl Scouts will share actions they have taken in the area of mental wellness.

## ABOUT GIRL SCOUTS OF ORANGE COUNTY

We are 25,000 strong— nearly 15,000 girls and 10,000 adults and volunteers who believe in the power of every girl to change the world. To volunteer, reconnect, donate, or join, visit [www.girlscoutsoc.org](http://www.girlscoutsoc.org).

## KEYNOTE

### Casey Cooper, Ph.D.

Dr. Casey specializes in the treatment of perfectionism, a serious issue affecting today's young women and mothers. Her decades of experience as a licensed psychologist, researcher, educator, volunteer, and keynote have prepared her well for Voice for Girls 2023. The recent pandemic, along with the impact of technology on identity, self-esteem, and self-talk, has taken a toll on our mothers, daughters, granddaughters, and future female leaders. As we explore women's wellness in the workplace, Dr. Casey's insights into the impact of perfectionism on balance is key to helping women practice contentment and mindfulness while mitigating shame.
