

# Understanding How Many Volunteers You Need

Girl Scouts adult-to-girl ratios show the *minimum* number of adults needed to supervise a specific number of girls. These supervision ratios were devised to ensure the safety and health of girls—for example, if one adult has to respond to an emergency, a second adult is always on hand for the rest of the girls. It may take you a minute to get used to the layout of this chart, but once you start to use it, you'll find the chart extremely helpful.

	Group Meetings		Events, Travel, and Camping

Girl Scout Daisies (K–grade 1)	12	6	6	4
Girl Scout Brownies (grades 2–3)	20	8	12	6
Girl Scout Juniors (grades 4–5)	25	10	16	8
Girl Scout Cadettes (grades 6–8)	25	12	20	10
Girl Scout Seniors (grades 9–10)	30	15	24	12
Girl Scout Ambassadors (grades 11–12)	30	15	24	12

Here are some examples: If you're meeting with 17 Daisies, you'll need three unrelated adults (in other words, not your sister, spouse, parent, or child), at least one of whom is female. (If this isn't making sense to you, follow the chart: you need two adults for 12 Daisies and one more adult for up to six more girls. You have 17, so you need three adults.) If, however, you have 17 Cadettes attending a group meeting, you need only two unrelated adults, at least one of which is female (because, on the chart, two adults can manage up to 25 Cadettes).

In addition to the adult-to-girl ratios, please remember that **the minimum age** for Girl Scout Daisy to Cadette leaders and responsible adults is 18 years of age and for Girl Scout Senior and Ambassador Advisor/Leaders and responsible adults it is 21 years of age.

To drive Girl Scout members, you must be at least 21 years of age, hold a valid operator's license appropriate to the vehicle and have insurance as required by the state of California.
