*** Definitions and Details**

- **Masks:** Wear masks indoors and for additional protection outdoors. Masks are not worn when sleeping, eating, drinking, or swimming--so maintain social distancing during those times.
- **Cohort/Stable group:** A troop, special-interest group, or patrol that gathers regularly without additional participants joining in. Keep the number of adults as low as possible.
- **Mixed-group activities:** Badge workshops, service unit events, etc., where participants are not part of the same, stable group. Must have a defined participant list/tickets and assigned seating. Take additional time to understand and manage participant comfort levels.
