CHALLENGE CUP TEAMS

The Challenge Cup is designed to provide a philanthropic, team building experience that mimics the time-tested leadership and development journey of our Girl Scouts. On event day, teams will compete in five rotations consisting of different program-based challenges derived from Girl Scouts' four Program Pillars. Challenge Cup winners are determined by points received for individual challenges and fundraising success. Complete point structure and fundraising ideas will be provided to teams at time of registration.

FUNDRAISING

Each team (corporate or individuals) pays a \$5,000 entry fee to cover event costs and luau. Additionally, each team member sets a goal to raise additional funds from family, friends, and colleagues using our personalized online giving page. The Girl Scout team will help you fundraise with templates, ideas, updates, and support you throughout the process!
